10. [] LIAISON Ed Kenney, Senate Armed Services Committee staff, called saying that Senator Strom Thurmond (R., S. Car.) would be available to meet with [] on either 22 or 23 November. We will work out a time suitable to [] and call the Senator's personal secretary, Sylvia Nabors. A staff member who speaks [] and is a strong "anti-Communist" will sit in. Therefore, the session will be more than amenities, but less than the type of session to be held with the Senate Judiciary Internal Security Subcommittee, of which Senator Thurmond is the Ranking Minority member. Kenney also asked that we call him on 22 November to alert him to the exact time and date of the meeting. [] and [] were advised.
